Service Requested:

Temporary lockdown on account

I am going on vacation starting tomorrow, and as advised by my manager, I request that you please temporarily lock down my account for one week. i.e, October 24 to October 31. I would appreciate it if you could do this at your earliest convenience.

Account details: AKLAB\jamie.taylor

Environment: DC01 (domain controller) and CLIENT01 (Windows client)

1. Issue Description

Requested temporary lock down on her as advised by her manager because she is going on vacation for one week. The account needs to be locked down for that one week, i.e, October 24 to October 31.

2. Environment

- User account: AKLAB\jamie.taylor
- Shared resource: \\DC01\CompanyShare\Employees

3. Resolution

From Windows Server > Active Directory Users and Computers:

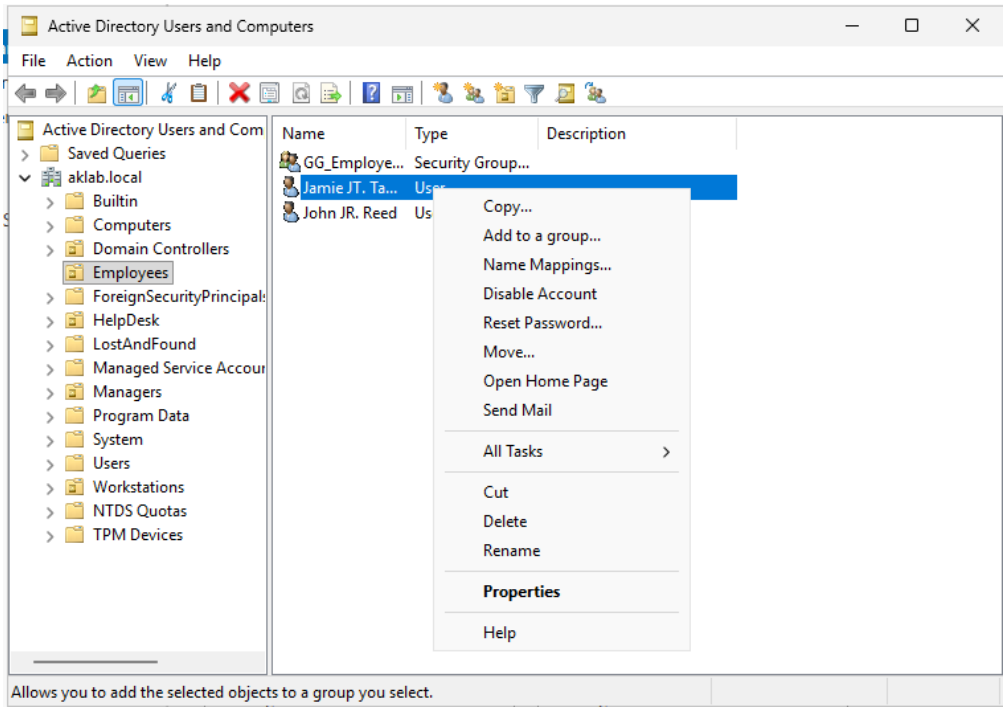

Figure 1: Jamie JT. Taylor Account Options

Disabling the account for no further use:

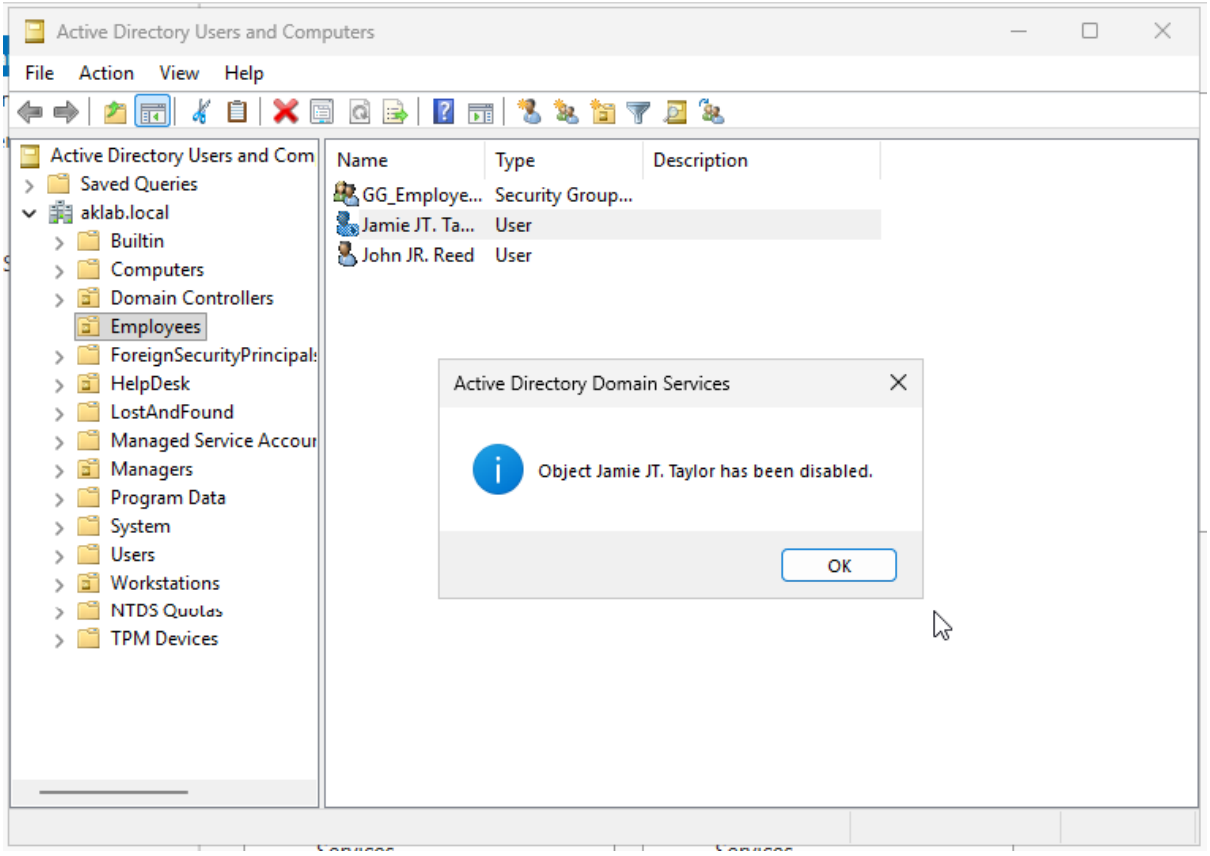

Figure 2: Account is disabled

4. Validation

Ask the user to try to sign in and share a screenshot:

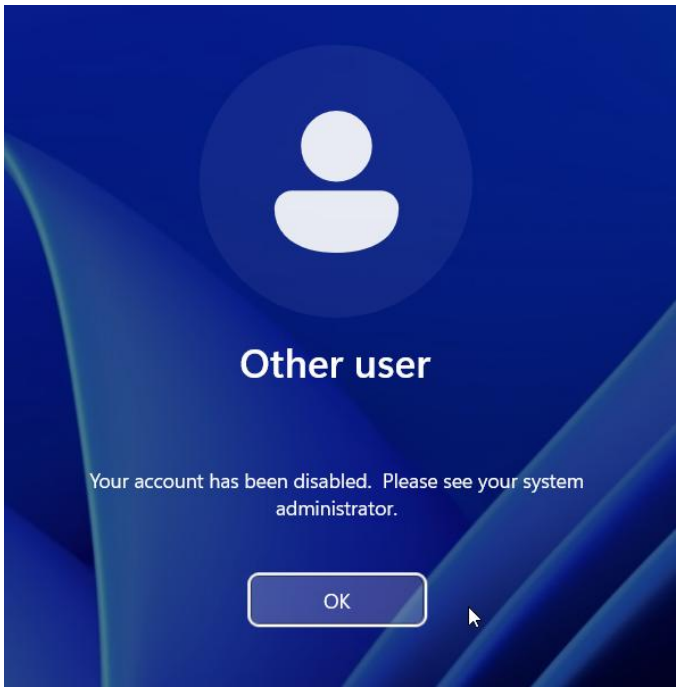

Figure 3: The account has successfully been disabled

Ticket Resolved!
